Registration Instructions

This page must be filled and submitted with your shipment.

1. Visit our website www.slabinc.com
2. At the top, follow the **Login** link. Click on the **Home Test Kits** section.
3. If this is your first time, please click **New Customer** and enter your email address. Then create a password. Hit **Register** when done. Otherwise, simply log in.
4. Sign in to your account. From here you will register your samples.
5. Click the **"Select Your Kit"** drop-down menu to select the kit type you purchased, e.g. Asbestos (1 Pack, 5 Day), and then click **Register A Kit**.
6. You will be guided through the steps of entering information we need to properly handle your sample(s).This includes contact details, sampling address, sample collection specifics, and special instructions.
7. To complete registration you must click **Register This Kit** to generate a Pin. Your Pin ***must be included*** with the sample shipment. Write the Pin in the section below and the state where you collected your sample (eg. VA for Virginia)
8. You will receive an email once your kit is processed. You can log back in the Kits section and view the due date, status, and your report once available.

MUST BE FILLED!
